## 88-520-03-G. REVIEW CRITERIA

In reviewing and making decisions on proposed MPD rezonings and preliminary development plans, review and decision-making bodies must consider at least the following factors:

1. **the preliminary development plan's consistency with any adopted land use plans for the area;**
  - *The Line Creek Valley Area Plan recommends Open Space/Buffer for the subject site. Public testimony has been received about this project.*
2. the preliminary development plan's consistency with the MPD district provisions of [88-280](#); and
3. the sufficiency of the terms and conditions proposed to protect the interest of the public and the residents of the MPD in the case of a plan that proposes development over a long period of time.
