Hello, I would like this email to go On Record that deals with Ordinance #251028. My husband and I have used natural Kratom for well over 10 years. It is none habit forming and we have not ever had an issue with it. Banning this product is a huge mistake. Plus it needs to be left up to each individual if they want to use it or not. Making a broad decision for each person is taking away our God given rights. Leave this decision up to each person.

Thank you for your time.
Mr. And Mrs. Schwartz
