Council members:

I am writing today to urge you to vote “aye” on ordinance 250188 to put the city in charge of animal control operations. My dog and I were attacked in November by two dogs who had already been reported to KCPP for having attacked other people and dogs, but nothing was done. The incident was preventable, just like Chris Culbertson’s death. Please, for the safety of the people and animals of our city, vote in this ordinance.

Thank you,
Beppy Huls
