**Description of work:**

The Water Services Department out-sources the printing and mailing of water bills and consumer notices. A vendor is needed whom annually can print 2.2 million bills/notices and can mail them for the lowest possible first class postage rate. This will be a one-year contract with five one-year options to renew. The postage portion of the contract cannot be subject to MBE/WBE goals as only the United States Postal Service can sell postage.
