Authorizing a \$10,766,000.00 construction contract with Beemer Construction Company, Inc., for the 36-Inch Transmission Main Extension from N.E. Shoal Creek Parkway Crossing I-435 to N.E. 82nd Terrace at Shoal Creek Parkway project; authorizing the Director of Water Services to increase this contract by up to twenty percent (20%) without further Council approval; and recognizing this ordinance as having an accelerated effective date.

Discussion

Project Justification

The Water Services Department is undertaking this construction project to improve water supply system reliability, increase hydraulic conveyance capacity, provide additional water supply during high demand, support fire protection, and create redundancy within the water supply system to reduce water supply interruption to north pump station at Highway 152 and surrounding areas.

Project Description

This project includes the extension of approximately 9,816 linear feet (LF) of 36-inch water main and appurtenances providing secondary water supply within the area of N.E. Shoal Creek Parkway crossing I-435 highway to N.E. 82nd Terrace at N.E. Shoal Creek Parkway, in Kansas City, Clay County, Missouri.

The work will include the transfer of customers' water service connections from existing water mains to new water mains. The amount of this contract is \$10,766,000.00.

Term

The term of this contract is 455 calendar days.
