The initial term of this Contract shall be up to two (2) years commencing on the date of the last signature hereto (the "Initial Term"), with one (1) optional two-year renewal and one (1) optional one-year renewal (each, a "Renewal Term"). Prior to expiration of the Initial Term and each Renewal Term, this Contract will renew automatically under the same terms and conditions unless either party provides written notice to the other party at least sixty (60) days in advance of the renewal date stating that the party wishes to discuss amendment or non-renewal.

3 Option to Extend

Successful Respondent agrees that DIR may require continued performance under this Contract at the rates specified in this Contract following the expiration of the Initial Term or any Renewal Term. This option may be exercised more than once, but the total extension of performance hereunder shall not exceed ninety (90) calendar days. Such extension of services shall be subject to the requirements of this Contract, with the sole and limited exception that the term shall be extended pursuant to this provision. DIR may exercise this option upon thirty (30) calendar days written notice to Successful Respondent.

4 Product and Service Offerings

Products and services available under this Contract are limited to the technology categories defined in Request for Offer DIR-CPO-TMP-563 for Cloud Services. At DIR's sole discretion, Successful Respondent may incorporate changes or make additions to its product and service offerings, provided that any changes or additions must be within the scope of the RFO.

5 Pricing

5.1 Pricing Index

Pricing to Customers shall be as set forth in **Appendix C, Pricing Index**, and shall include the DIR Administrative Fee (as defined below).

5.2 Customer Discount

- a) The minimum Customer discount for all products and services will be the percentage off List Price (as defined below) or MSRP (as defined below), as applicable, as specified in **Appendix C, Pricing Index**. Successful Respondent shall not establish a List Price or MSRP for a particular solicitation. For purposes of this Section, "List Price" is the price for a product or service published in Successful Respondent's price catalog (or similar document) before any discounts or price allowances are applied. For purposes of this Section, "MSRP," or manufacturer's suggested retail price, is the price list published by the manufacturer or publisher of a product and available to and recognized by the trade.
- b) Customers purchasing products or services under this Contract may negotiate additional discounts with Successful Respondent. Successful Respondent and Customer shall provide the details of such additional discounts to DIR upon request.
- c) If products or services available under this Contract are provided at a lower price to: (i) an eligible Customer who is not purchasing those products or services under this Contract, or (ii) to any other customer under the same terms and conditions provided for the State for the same products and services under this contract, then the price of such products and services under this Contract shall be adjusted to that lower price. This requirement applies to products or services quoted by Successful Respondent for a quantity of one (1), but does not apply to volume or special pricing purchases. Successful Respondent shall notify DIR within ten (10) days of providing a lower price as described in this Section, and this Contract shall be amended within ten (10) days to reflect such lower price.

5.3 Changes to Prices

- a) Subject to the requirements of this section, Successful Respondent may change the price of any product or service upon changes to the List Price or MSRP, as

applicable. Discount levels shall not be subject to such changes, and will remain consistent with the discount levels specified in this Contract.

- b) Successful Respondent may revise its pricing by publishing a revised pricing list, subject to review and approval by DIR. If DIR, in its sole discretion, finds that the price of a product or service has been increased unreasonably, DIR may request that Successful Respondent reduce the pricing for the product or service to the level published before such revision. Upon such request, Successful Respondent shall either reduce the pricing as requested, or shall remove the product or service from the pricing list for this Contract. Failure to do so will constitute an act of default by Successful Respondent.

5.4 Shipping and Handling

Prices to Customers shall include all shipping and handling fees. Shipments will be Free On Board Customer's Destination. No additional fees may be charged to Customers for standard shipping and handling. If a Customer requests expedited or special delivery, Customer will be responsible for any additional charges for expedited or special delivery.

10.1 Software License Agreement

- a) Customers acquiring software licenses under this Contract shall hold, use, and operate such software subject to compliance with the Software License Agreement. Customer and Successful Respondent may agree to additional terms and conditions that do not diminish a term or condition in the Software License Agreement, or in any manner lessen the rights or protections of Customer or the responsibilities or liabilities of Successful Respondent. Successful Respondent shall make the Software License Agreement terms and conditions available to all Customers at all times.
- b) Compliance with the Software License Agreement is the responsibility of the Customer. DIR shall not be responsible for any Customer's compliance with the Software License Agreement.

Successful Respondent and Customer may agree to terms and conditions that do not diminish or lessen the rights or protections of the Customer or the responsibilities or liabilities of Successful Respondent.

11 Conflicting or Additional Terms

- a) The terms and conditions of this Contract shall supersede any additional conflicting or additional terms in any additional service agreements, statement of work, and any other provisions, terms, conditions, and license agreements, including those which may be affixed to or accompany software upon delivery (sometimes called shrink-wrap or click-wrap agreements), and any linked or supplemental documents, which may be proposed, issued, or accepted by Successful Respondent and Customer in addition to this Contract (such additional

agreements, "Additional Agreements"), regardless of when such Additional Agreements are proposed, issued, or accepted by Customer. Notwithstanding the foregoing, it is Customer's responsibility to review any Additional Agreements to determine if Customer accepts such Additional Agreement. If Customer does not accept such Additional Agreement, Customer shall be responsible for negotiating any changes thereto.

- b) Any update or amendment to an Additional Agreement shall only apply to Purchase Orders for the associated product or service offering after the effective date of such update or amendment; provided that, if Successful Respondent has responded to a Customer's solicitation or request for pricing, any subsequent update or amendment to an Additional Agreement may only apply to a resulting Purchase Order if Successful Respondent directly informs such Customer of such update or amendment before the Purchase Order is executed.

- d) If Successful Respondent attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to this Contract or the Purchase Order between Successful Respondent and Customer, and Successful Respondent will nonetheless be obligated to perform such Purchase Order without regard to the prohibited documents, unless Customer elects instead to terminate such Purchase Order, which in such case may be identified as a termination for cause against Successful Respondent.

12 Authorized Exceptions to Appendix A, Standard Terms and Conditions

- 1. **Section 10.1.1 Indemnities by Successful Respondent**, is hereby modified to add the following **Section 10.1.1(C)** as follows:
 - C. This section is not intended to and shall not be construed to require Successful Respondent to indemnify or hold harmless DIR, the State of Texas, or

Customers for any claims or liabilities resulting from the negligent acts or omissions of DIR, Customers, or their employees.

2. **Section 10.12 Limitation of Liability**, is hereby deleted and replaced in its entirety with the following:

10.12 Limitation of Liability

A. For any claim or cause arising under or related to the Contract, to the extent permitted by the Constitution and the laws of the State, none of the parties shall be liable to the other for punitive, special, or consequential damages, even if it is advised of the possibility of such damages.

B. Successful Respondent and a Customer may include in a Purchase Order a term limiting Successful Respondent's liability for damages in any claim or cause of action arising under or related to such Purchase Order; provided that any such term may not limit Successful Respondent's liability below two-times the total value of the Purchase Order. Such value includes all amounts paid and amounts to be paid over the life of the Purchase Order to Successful Respondent by such Customer as described in the Purchase Order.

C. Notwithstanding the foregoing or anything to the contrary herein, any limitation of Successful Respondent's liability contained herein or in a Purchase Order shall not apply to: claims of bodily injury; violation of intellectual property rights including but not limited to patent, trademark, or copyright, infringement; indemnification requirements under the Contract, except as allowed by subsection 10.12(D) below; and violation of State or Federal law including but not limited to disclosures of confidential information and any penalty of any kind lawfully assessed as a result of such violation.

D. Successful Respondent and a Customer may include in a Purchase Order a term limiting Successful Respondent's liability to such Customer under such Purchase Order for indemnification requirements under Section 10.1.1(A)(i) and (iii), provided that any such term may not limit Successful Respondent's liability for such indemnification requirements below (i)\$1 million or (ii) two-times the total value of the Purchase Order, whichever is greater. Such limitation shall be distinct and calculated separately from any limitation included in such Purchase Order pursuant to Section 10.12(B) above. Such term shall not be valid unless it is

stated on a standalone page signed by both parties and attached to the corresponding Purchase Order. NOTE: CUSTOMER SHOULD CONSULT WITH LEGAL COUNSEL AND CAREFULLY CONSIDER POTENTIAL RISKS ASSOCIATED WITH A DATA BREACH TO DETERMINE LIMITATIONS APPROPRIATE FOR SUCH PURCHASE ORDER.

3. **Section 13 Warranty**, is hereby deleted and replaced in its entirety with the following:
