Description of Contract (Provide Details):

The Grand Avenue Bridge Bike/Pedestrian Accommodations - 3rd St to Riverfront will add a new bike/ped bridge structure to parallel the existing roadway bridge. The improvements will provide a safe and continuous connection between the River Market neighborhood/business district to the developing Berkley Riverfront Park area. This connection will work in tandem with the north Streetcar expansion project and would be necessary to complete the overall planning improvements recognized in the expansion study. This street is part of the proposed Bike KC plan and will include pedestrian accommodations per the Walkability plan to complete the missing pedestrian link to Berkley Park. The Grand Avenue Bike/Pedestrian Bridge project is a high priority due to its importance to the 2026 FIFA World Cup. The project has Capital Improvement Program score of 76 based on approved rating criteria.

Pursuant to RSMo. Section 610.021(11) & (12) documents related to bids will not be made available until bids are completed.
