ORDINANCE NO. 220037

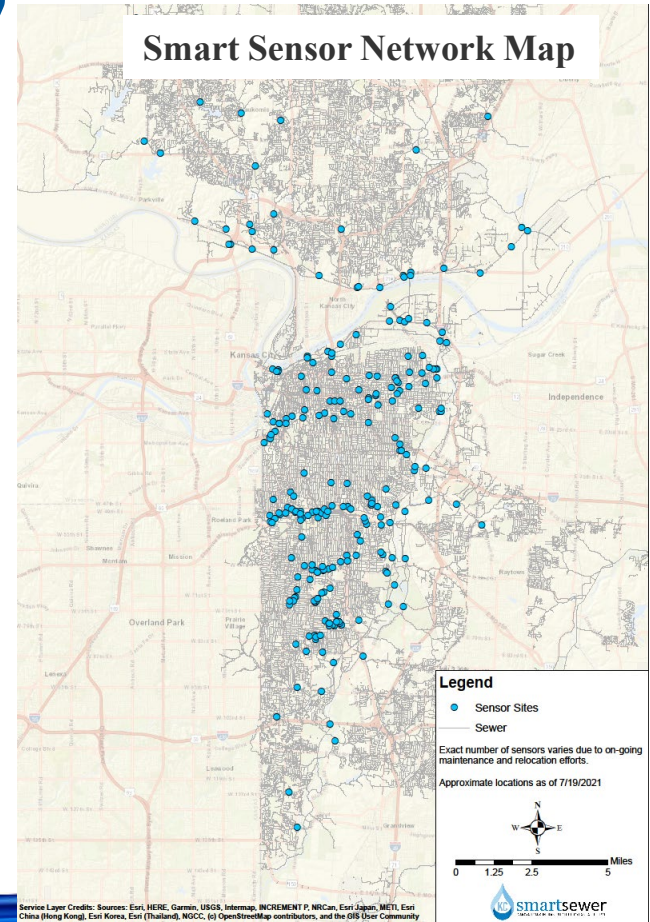

Smart Sensor Network Maintenance and Field Services

Authorizing a \$1,200,000.00 Professional, Specialized, or Technical Services contract with TREKK Design Group, LLC, for the Smart Sensor Network Maintenance and Field Services project; and authorizing two successive one-year renewal options for a maximum expenditure of \$3,709,080.00 without further City Council approval.

ORDINANCE NO. 220037

Background:

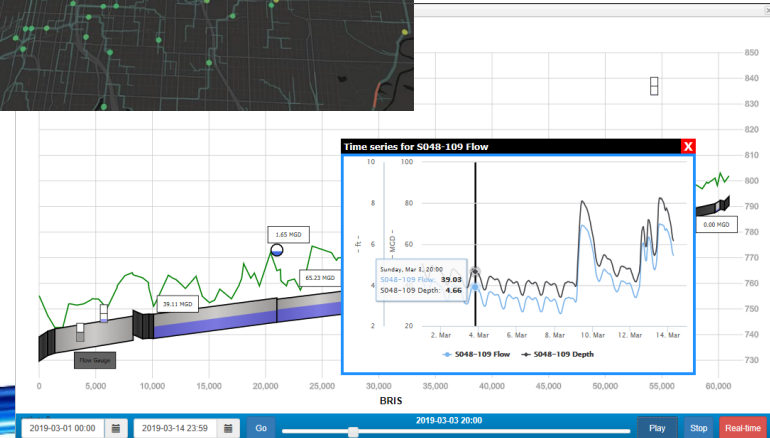

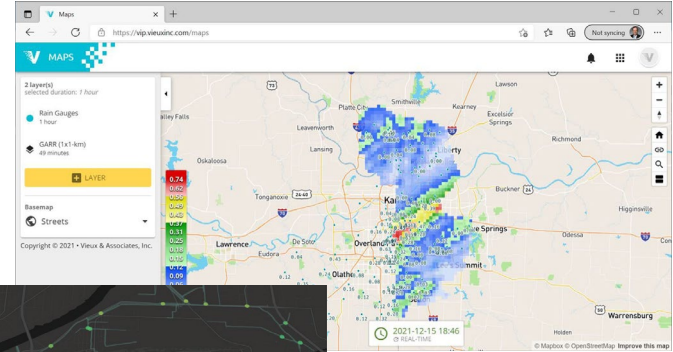

- Sensor Network was deployed in 2018 to support federal Consent Decree requirements
- 267 sensors throughout the sewer system
- Maintenance and field services were accomplished through previous contracts

ORDINANCE NO. 220037

Continued services are required for:

- Maintaining current network and data dashboards
- Optimizing/Expanding the network
- Supporting a future companion Digital Strategy and Data Analytics Project and continued progress towards digital sewer system management

THANK YOU
