This is a revenue generating passenger service concessions lease with no expense to City. Concessionaire shall pay to the City a Monthly Concession Fee based upon an agreed percentage (previously 14.5%) of the total gross advertising revenues received by the concessionaire, and as well provide an important and useful amenity/service to the traveling public.

Provided with this Goals Request are the proposed Automated Luggage Cart Services Program RFP #6222090042, including the Draft Concession Agreement, and a copy of the previous Smarte Carte, Inc. Concession Agreement #6212090163, dated March 1, 2013.
