Description of Contract (Provide Details):

Services to verify the location and alignment of existing forcemains in the wastewater collection system with optional services for forcemain cleaning and condition assessment. The alignment verification and condition assessment inspections of forcemains require specialized equipment and generation of technical data deliverables. If needed, open-cut repairs to the forcemain may be requested by the City in order to facilitate alignment and inspection work.

Pursuant to RSMo. Section 610.021(11) & (12) documents related to bids will not be made available until bids are completed.
