These Traffic Regulations have been published and tested for a ninety day period in accordance with Sections 70-38 (b) and (c) of the Traffic Code.

This Ordinance will make these Regulations permanent.

A list of the Regulations, the streets affected by the Regulations and the dates the signs or signals were installed, removed and changed is attached.

Is it good for the children? Yes

How will this contribute to a sustainable Kansas City?

All damaged signs and post are sent to a recycle facility. We reuse old undamaged posts to install new signs. We purchase new traffic sign supplies manufactured from recycled materials.

There are speed limit changes in this package.
