Subject: Vote YES - Ordinance 230613 and Resolution 230618
Date: Sunday, July 30, 2023 8:47:20 AM

Dear Members of the City Council,

I live in South Hyde Park and am 63 years old. I ride my bike to work when time allows. I love the protected bike lanes they make me feel much more at ease as I ride. I can not wait until I retire to have the time to ride my bike more often to preserve my health as I age. Please vote in support of Ordinance 230613 and Resolution 230618.

Regards,
