Please vote no on 240260. We do not need another parking lot that competes directly against KCMO owned parking lots at the Airport, nor do we need more car centric climate change denying drive thru fast food joints. KCMO already struggles with sprawl that has devastated our city budget. Let's not continue funding private for-profit enterprises that exacerbates these realities with more taxpayer money. If Mr. Chaves wants a parking lot, he can build and fund it himself.
