

City of Kansas City, Missouri

Docket Memo

Ordinance/Resolution #: Ordinance 250838 Submitted Department/Preparer: Mayor/Council's Office Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in <u>Administrative Regulation (AR) 4-1</u>.

Executive Summary

Directing the City Manager to initiate the vacant property receivership process as described in Code Chapter 56, Article VII, for the vacant nuisance property known as the former Paul Robeson Middle School site, located at 8201 Holmes Road, in order to protect the health, safety, and welfare of City's residents by remediating the blight at the property.

Discussion

The structures and land of the former Paul Robeson Middle School, located at 8201 Holmes Road, (the "Property") have languished unused with progressive decay and deterioration since its closure in 2006. The Property's vacancy and nuisance conditions directly inhibit the ability of nearby households to generate wealth and depresses regional commercial activity. Residents near the site lament the two decades of inactivity and decomposition, citing both aesthetic and security concerns involving the site's crumbling structures, rampant weeds and vines, prevalent graffiti, and its serving as a haven of chronic nuisance activities.

The current developer's failure to prevent and remediate these nuisance conditions violates multiple provisions of Code Chapters 48 and 56. The current developer of the site purchased the lot in 2018 to develop a recreation center, athletic fields, and in-fill housing. No significant development activity has occurred on the site in any of the seven years since the site was purchased. Substantially, all lawful business activity at the property has ceased.

The current developer failed to pay property taxes on the site since at least 2021, paid the bare minimum to prevent a tax sale of the site in Summer 2025, and still owes over \$130,000 in delinquent property taxes; and

Chapter 56, Code of Ordinances, enables the City to petition the Circuit Court to appoint a receiver to rehabilitate vacant and blighted properties in order to protect

the health, safety, and welfare of neighborhoods by rehabilitating vacant and blighted properties.
