Dear Zoning Board Members and City Planners,

I am opposed to the rezoning proposed in the Plaza-Westport neighborhood. I am in agreement with all the arguments put forward by Christina Boveri in the attachment.

I have lived for over twenty years in the Plaza-Westport neighborhood and have witnessed many changes. Old bungalows have been torn down to make apartments, townhouses, and new single-family homes. Although the restoration of the many bungalows would have been better, their most successful replacement has been single-family homes. These homes are more appropriate for the neighborhood.

We have enough apartments and density in the Plaza-Westport neighborhood. I oppose the proposed rezoning.

Sincerely,

Tanya Kelley
