To Whom it may concern:

I am writing this to say that I want KC to be a sanctuary for all transgender people. Gender affirming care saves lives and the attack is based in hate and misinformation. All humans should be able to live their true self. I am a social worker and work with many folks who identify as transgender and who are trying to take care of their health. I am advocating as a social worker and as a citizen of KC.

Thank you,

Gina Vidal, LMSW
