Discussion (including relationship to other Council actions)	For OMB Use		
	Sponsor(s)		
The proposed solutions includes a combination of portables, mobiles, control stations and vehicular repeaters and will provide real time operable and interoperable two-way radio communications capabilities to all authorized users. The products are designed to exceed the specifications as tested by the Kansas City Fire Department. Products within this proposal were competitively bid on the Kansas City Regional Cooperative Purchasing Contract (KCRPC). No MWBE goals are applied to this purchase, as it is proprietary equipment only, no services.	Procurement Services and KCFD
