Authorizing a one year contract with the Basel Action Network for City to be an eSteward Enterprise responsible electronic recycling

Details

Reason for Legislation

Authorizing the City Manager to execute a one year contract with the Basel Action Network for the City to be an e-Steward Enterprise committed to responsible environmental and social practices in electronics recycling; and authorizing the City Manager to renew the Contract.

Discussion

This contract will result in the City's certification as an e-Steward Enterprise. As such, the City is joining a growing list of companies, governments, and institutions that have made a simple and powerful statement of leadership: You are committing to make best efforts to use e-Stewards certified recyclers to safely, ethically, and responsibly recycle your IT assets.

As an e-Stewards Enterprise, the City agrees to make best commercially reasonable efforts to use e-Stewards certified recyclers, to place this preference into all(RFP's, and to provide a short annual report on progress made in using e-Stewards recyclers.

Details

It is good for the children? Yes.

How will this contribute to a sustainable Kansas City?

Certification as an e-Steward Enterprise will ensure that the City's electronics are reused, recycled or disposed of in an environmentally responsible manner. Reuse of City electronics will benefit the children by enabling them access to broadband through our ongoing collaboration with the Digital Inclusion Coalition and e-Steward partners.
