Brief Title	Approval Deadline	Reason
License Agreement with New Singular Wireless PCS, LLC d/b/a AT&T Mobility		To authorize execution of a License Agreement with New Singular Wireless PCS, LLC d/b/a AT&T Mobility

Details

Reason for Contract

Authorizing a License Agreement with New Cingular Wireless PCS, LLC to install and maintain Small Wireless Facilities; and estimating revenue in the amount of \$1,500.00 in the Pole Attachment Fees account.

Discussion

New Singular Wireless PCS, LLC d/b/a AT&T Mobility is the holder of a certificate of service authority from Missouri Public service Commission to provide certain communication services. New Singular Wireless has proposed to locate, place, attach, install, operate and maintain small wireless facilities on or within the City's right-of-way (a) on or within the City Utility Poles in said areas (streetlights, etc.), and (b) on or within the facilities (i.e. poles, lines, wires, and conduit) of other utility companies such as Evergy, Inc. pursuant to New Singular Wireless's separate locate agreements with said utility companies to provide communication services.

City is willing to grant New Singular Wireless PCS, LLC d/b/a AT&T Mobility a non-exclusive license under which the City will issue permits authorizing New Singular wireless to enter upon City's right-of-way and install communication equipment on or within specified City Utility Poles (streetlights, etc.). Furthermore, the City may in its sole discretion, for reasons relating to insufficient capacity, safety, reliability, generally applicable engineering purposes or other governmental needs, uses, obligations and reasons, refuse to issue permit for any particular City Utility Pole (streetlights, etc.) so long as New Singular Wireless is treated in a competitively neutral and non-discriminatory manner as compared with other similarly situated third parties.

In consideration of City granting New Singular Wireless PCS, LLC d/b/a AT&T Mobility to utilize the City's right-of-way and install it's communication equipment on City Utility Poles (streetlights, etc.). New Singular Wireless has agreed to pay all the required permit fees, City's technical review and inspection fees as well as an annual streetlight attachment fee of \$150 per attachment aligned with Missouri House Bill NO. 1991.

Is it good for the children?
Promoting and providing wireless digital data communication is good for children

How will this contribute to a sustainable Kansas City?
Wireless digital data communication promotes efficient transfer of information which contributes to a sustainable Kansas City. Furthermore, utilizing the existing infrastructure to implement the betterment of digital data communication systems reduces the use of the material such as poles and wiring, etc.
