Hello,

I would like my email on record for ordinance #251028. I would like it noted that Natural Kratom should not be banned along with synthetic kratom. The Kratom Conusmer Protection Act passed in Missouri a few years back so this should not be happening. I am not able to attend the hearing and would just like my comments noted please. Im not sure if im doing this correctly or not and if not please advise on how to go about it. Thank you so very much.
