Approving the plat of Northland Christian Education System, an addition in Clay County, Missouri, on approximately 35 acres generally located at the southwest corner of Northwest 107th Street and North Trailblazer Drive, creating one lot for the purpose of a school; accepting various easements; establishing grades on public ways; authorizing the Director of City Planning and Development to execute and/or accept certain agreements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents. (CLD-FnPlat-2026-00002)

Discussion

The request is for approval of a Final Plat for approximately 33 acres, zoned District R-7.5 and generally located at the southwest corner of Northwest 107th Street and North Trailblazer Drive, to allow for a school and associated accessory uses. This use was previously approved under Case No. 6637-P-11, which also served as the Preliminary Plat in lieu of a Special Use Permit. The approved Development Plan authorized construction of the school, a sports field, and Northwest 107th Street along the northern boundary of the site. Approval of the Final Plat will dedicate Northwest 107th Street, which has already been constructed, to the City as a public street.

Final Plats are the legal instruments used to formally subdivide land in accordance with the layout approved in the Preliminary Plat. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and that stormwater detention covenants have been finalized and reviewed for compliance. This Final Plat is consistent with the previously approved Preliminary Plat and complies with all applicable lot and building standards outlined in Section 88-110 of the Zoning and Development Code.
