Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

A request to approve a rezoning from district B3-3 (commercial) and R-2.5 (residential) and R-7.5 (residential) to district B3-3 (commercial) on about 2 acres generally located at NW Barry Road and NW Winter Avenue. (CD-CPC-2024-00153)

Discussion

The Zona Rosa ownership group is proposing to rezone a 1.5 acre parcel of undeveloped land on the northeast corner of NW Barry Road and NW Winter Avenue from B3-3/R-2.5 and R-7.5 to B3-3 to allow for commercial land uses. In 2008, the City Council approved a Chick-fil-A, but no permit was pulled within two years of approval and the previously approved development plan has since lapsed. The approved ordinance, which is no longer in full force and effect, did require the developer to enter into a Cooperative Agreement with the City prior to issuance of a final certificate of occupancy. The developer was required to contribute \$7,200 towards the cost of improving the intersection at NW Barry Road and NW Winter Avenue.

The Line Creek Valley Area Plan, which originally recommended commercial uses on the subject property, was amended in 2009 when the KCI Area Plan was being revised and now currently recommends Residential Low Density as the future land use. NW Barry Road is identified as a thoroughfare on the City's Major Street Plan and the corridor is generally comprised of commercial uses, multi-unit residential structures, institutional uses and heavy vehicular traffic.

On November 20, 2024, staff recommended approval of the application. There was no public testimony. The City Plan Commission (CPC) recommended approval of the rezoning request with a vote 6-0.

(Zona Rosa District A). The City Council approved the request on March 6, 2008 (Ord. No. 080147).
