Committee

ORDINANCE NO. 240551

History:

- In 2007, the Mayor appointed a Utility Funding Task Force to integrate community values into a long-term funding strategy for the City's water, wastewater, and stormwater utilities.
- In 2008, the Task Force recommended creation of a customer assistance program.
- The Task Force's recommendation included several principles to consider for creation of the program, including Equity, Competitiveness, Economic Efficiency, and Ease of Administration.
- In 2009, thanks to the support of the City Council and assistance of the Law Department, KC Water's Needs-Based Customer Assistance Program was created.

ORDINANCE NO. 240551

Mid America Assistance Coalition

Mid America Assistance Coalition, a non-profit corporation, is a national model for effective coordination of emergency assistance organizations and homeless service providers. Its role is to make a complex social service system as efficient and accessible as possible. With the help of the community, this is done by applying creative ideas and technology to find solutions to community needs.

ORDINANCE NO. 240551

The Process:

- KC Water provides the funds to Mid-America Assistance Coalition
- MAAC makes funds available to social service agencies citywide
- The agencies review the request for assistance :
 - Ensuring availability of funds
 - Request meets the guidelines
- The social service agency contacts KC Water's customer service center and informs assistance is being provided
- MAAC sends a check to KC Water for those customers that are receiving assistance
