Executive Summary

Calling for submission to the voters of Kansas City, at an election to be held on the general municipal election day of April 7, 2026, a question of whether to continue Kansas City's current one-percent earnings tax for five years; directing the City Clerk to provide notice of the election; and recognizing an accelerated effective date.

Discussion

The earnings tax has been part of the City's financial structure since Kansas City voters passed a Charter amendment in 1963 authorizing the City to enact a tax of one-half percent. In 1970, Kansas City voters approved a Charter amendment to increase the earnings tax to one percent. Section 92.115 of the Revised Statutes of Missouri requires Kansas City voters to approve the continuation of the earnings tax at "the next general municipal election date immediately following November 2, 2010 and once every five years thereafter."

Kansas City voters most recently approved renewal of the earnings tax in the general municipal election held on April 6, 2021. The next general municipal election day is April 7, 2026. Section 92.125 of the Revised Statutes of Missouri provides that if the City fails to place the issue on the April 2026 ballot, the earnings tax will be automatically phased out over ten years.
