PROFESSIONAL STAFF RECOMMENDATION

Docket #11 Recommendation: **Approval, Subject to Conditions**

Vicinity Map –**PLAN REVIEW**

The street proposed to be vacated is an improved section of public right-of-way that currently dead-ends approximately 350 west of Northeast Barry Road and North Cleveland Avenue. The proposed 7,500 square foot vacation of right-of-way was proposed during the development plan process. Ordinance No. 250276 proposed to utilize a portion of the right-of-way to build additional units.

There are public and private utilities located within the public right-of-way. Water Services has a water main on the south side of Northeast Barry Road. The Water Services Department is requiring the applicant retain an easement or have the utilities relocated. Evergy and Spectrum Charter also have utilities located in the public right-of-way which will require an easement be retained or the utilities be relocated. AT&T has utilities in the public right-of-way, but has agreed to relocate them, if the applicant will allow 30-60 days to retire the existing cable in place.

SPECIFIC REVIEW CRITERIA**Street, Alley or Plat Vacations**

In order to determine that no private rights will be unreasonably injured or endangered by the vacation and the public will suffer no unreasonable loss or inconvenience, the city planning and development director, city plan commission, and city council must consider at least the following factors:

88-560-10-A. All property owners adjacent to the right-of-way shall have legal access to another public right-of-way. Such access shall be physically feasible and shall not result in an unreasonable burden or unsafe conditions on the alternate right-of-way.

All adjacent property owners will retain legal access to other public right-of-way. The whole site is set to be redeveloped, and additional dedications of public right-of-way are proposed.

88-560-10-B. The retention of the public right-of-way or subdivision serves no current purposes and no future useful public purpose is anticipated.

The right-of-way dead ends approximately 100 feet from the off-ramp of Highway 152 and the street cannot be extended. The existing right-of-way serves two parcels within the approved development and serves no current or future useful public purpose. The Bethel Baptist Church of Missouri will retain access to the site. The preliminary plat shows the street to be rededicated as public right-of-way.

88-560-10-C. The vacation will not result in a violation of 88-405.

The vacation will not be in violation of 88-405, it will bring the right-of-way into conformance by removing a dead-end street.

88-560-10-D. The vacation shall not disrupt the constructed street network or reduce existing physical connectivity.

The vacation will not disrupt any street network and will not impact physical connectivity.

88-560-10-E. The vacation shall not result in a dead-end street or alley.

The proposed vacation will not result in a dead-end street. It will bring the street into compliance by vacating a portion of Northeast Barry Road, resulting in no dead-ends.

88-560-10-F. The vacation shall not result in street traffic being routed through an alley.

No traffic will be routed through an alley as a result of this vacation.

88-560-10-G. The vacation shall not vacate half the width of a street or alley.

This vacation will not vacate half the width of any street or alley.
