(CLD-FnPlat-2025-00025)

### Discussion

The request is to consider approval of a Final Plat in District MPD (Master Planned Development) on about 430 acres generally located at the southwest corner of North Winan Road and Highway 92, allowing for the creation of 2 lots for the purposes of an industrial development. This use was approved in Case No. CD-CPC-2022-00097 and further amended under CD-AA-2025-00067 which served as the Preliminary Plat. The Preliminary Plat proposed to develop a 20 million square foot commercial office and warehouse development. The plan dedicates right-of-way for the future extension of Mexico City Avenue.

Final Plats are the legal instruments used to formally subdivide land in accordance with the layout approved in the Preliminary Plat, which is often presented in multiple phases, as this proposed plat is. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and that stormwater detention covenants have been finalized and reviewed for compliance. This Final Plat is consistent with the previously approved Preliminary Plat and complies with all applicable lot and building standards outlined in Section 88-280 of the Zoning and Development Code.
