Description of Contract (Provide Details): <p>The 87th street pump station screens can not handle the debris removal and will get bound up and go off-line. This requires extensive work for plant maintenance staff. This project will study replacement screens for the pump station leading to more efficient operation of the pump station.</p> <p>We anticipate that the programmatic goals for the water departmental facilities goals would apply to this project.</p>	
<small>Pursuant to RSMo. Section 610.021(11) & (12) documents related to bids will not be made available until bids are completed.</small>
