Executive Summary

Approving the petition to establish the Maple Park Community Improvement District; establishing the Maple Park Community Improvement District generally bounded by Northeast 50th Street to the north, North Randolph Road to the east, Northeast 48th Street to the south, and North Winchester Avenue to the west in Kansas City, Clay County, Missouri; requiring the annual submission of certain records; and directing the City Clerk to report the creation of the District to the Missouri Department of Economic Development and the Missouri State Auditor.

Discussion

This ordinance would approve the petition to establish the Maple Park CID for a 20-year term, unless extended. This CID would not overlap any other CID. The proposed District is composed of one (1) parcel of land containing approximately 13.76 acres.

The District will have the authority to impose a 1% sales tax, which will be used for the construction, and design of improvements associated with the development of approximately 100,000 square feet of industrial warehouse space and approximately 11,000 square feet of retail space, and approximately 5,000 square feet of mixed retail, which includes the construction of public parking facilities, according to the petition.

The District is directed to submit proposed budgets, annual reports, and copies of resolutions passed by the District board per State statute in addition to entering into a cooperative agreement with the City. The City Clerk is directed to report the creation of this District to the Missouri Department of Economic Development and the Missouri State auditor.
