RE: CD-CPC-2022-00114

Dear Ms. Muhammad:

In solidarity with our neighbors, Rockhurst University would like to give the conversation the time it needs to move forward; therefore, we request the City Plan Commission (CPC) grant a continuance on CD-CPC-2022-00114. Rockhurst has taken the time to be in discussion with our neighbors about preferred and restricted uses for the property at 5220 Troost Ave, as requested by CPC on Sept. 6, 2022.

The University strongly stresses our community's preference for this rezoning change to be presented to CPC "with a plan." This opportunity may present itself if given time for both parties to come together to discuss recent recommendations.

Respectfully,
