Contract Description

This contract consists of water distribution system repairs on an as needed basis including repairs to water mains, fire hydrants, valves, and services. This contract is based on unit prices and will not exceed \$2,700,000 for one fiscal year with two potential \$2,700,000 renewals at the City's option (a total of \$8,100,000 maximum commitment over three fiscal years).

MBE/WBE Participation

The Kansas City Civil Rights and Equal Opportunity Department (CREO) set the MBE/WBE goals for this project at 11% MBE and 11% WBE business participation. Infrastructure Solutions, LLC submitted a Utilization Plan that meets these goals with Petro Trucking Co. Inc fulfilling the WBE portion of the work and Tenoch Construction, Inc to fulfill the MBE portion.

Experience Reference Form

Infrastructure Solutions, LLC submitted the required Evidence of Competency and Experience Reference Form/Summary for similar projects which includes various completed/current projects with references for several local municipalities and counties, including KC Water. Infrastructure Solutions, LLC has experience installing large diameter water mains per KC specs.

Financial Statement

A Dun & Bradstreet credit rating report of Infrastructure Solutions, LLC is attached. The report indicates mixed credit statistics, with no history of bankruptcies, judgements, liens or suits.

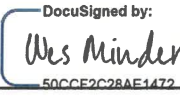

Past Performance Statements

Infrastructure Solutions, LLC attests that it not been rescinded or debarred from any bidding, contractual, procurement, or other such programs by Federal, State or Local entities. Additionally, Infrastructure Solutions, LLC has had no Federal, State or local DBE/MBE/WBE program damages assessed to any projects.

Summary

I recommend the City move forward to contract with Infrastructure Solutions, LLC at the unit prices included in the bid for a total not to exceed amount of \$2,700,000. The funds would be taken from account 8010-802010-B-616260 (Pipeline Contractual Services)
