Discussion

(Including relationship to other Council actions)

The Justice Assistance Grant (JAG) is to be used for crime prevention activities. Grant regulations require that Kansas City, Jackson County, Independence and Grandview share the grant. All must agree on the allocation of the grant and submit a joint application. The resolution reflects the agreement that was reached.

The Kansas City share will be used to improve surveillance of illegal dumping sites, support community engagement centers, provide for community prosecutors, support the second chance risk reduction center, support the police department, and to carryout community crime prevention efforts.

The application is due May 14, 2012.
