Executive Summary

Approving and authorizing the discharge of the special tax bills and waiver of the resulting liens on the real property commonly known as 2015 Spruce Avenue.

Discussion

This ordinance will waive liens on the subject property up to \$11,000.00. These liens were placed on the property for three board up abatements and two trash and weeds abatements. The applicant did not own the property at the time of the abatements.

The East 23rd St. PAC Neighborhood Association filed an Abandoned Housing Act case for this property which transferred possession of the property to the Neighborhood. The Neighborhood presented a rehabilitation plan created by the applicant to the Court which was approved. The applicant has been renovating the property for him and his family to live in. Once repairs are completed, the Court typically issues a Court Administrator's Deed transferring ownership to the Neighborhood who will then transfer title to the applicant.

AR 7-3 allows the Lien Waiver Review Committee to approve nuisance liens up to \$5,000. Any nuisance liens totaling over \$5,000 must receive Council approval after a recommendation by the committee. On this case, the Lien Waiver Review Committee recommended approval.
