

# Interdepartmental Communication

**DATE:** October 28, 2024

**TO:** Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

**FROM:** Michael Shaw, Director of Public Works

**SUBJECT:** Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 66128 through 66147	January 17, 2024
Nos. 66148 through 66169	February 12, 2024
Nos. 66170 through 66189	February 29, 2024
Nos. 66190 through 66226	March 13, 2024
Nos. 66227 through 66232	April 10, 2024
Nos. 64233 through 64241	April 16, 2024
Nos. 66324 through 66354	May 2, 2024

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
