### Executive Summary

Acceptance of the FY24 Emergency Management Performance Grant (FEMA) funds from the Missouri Emergency Management Agency (SEMA) in the amount of \$126,693.51.

### Discussion

The EMPG is a 50/50 cost share for the administrative expenses and includes a requirement to expend 25% on planning activities. We receive this grant award each year. These funds will be used to offset emergency management staff salaries, maintenance of tornado outdoor warning sirens, and/or eligible supplies for the Emergency Operations Center (EOC) operations and planning purposes, and other expenses determined eligible under the grant requirements. The City match of 50% will come from existing appropriations for the operating budget of the EOC and are reflected in the Fiscal Impact section.

The FY24 EMPG funds from SEMA consist of \$126,693.51 for salary costs of 4 of the EOC staff. The City is required to match this amount for the cost share. The City's share will come from the existing appropriations for the operating budget of the EOC.
