Dear Mayor Lucas and members of the City Council,

I strongly encourage you to support Resolution 240412 which codifies Kansas City's compliance with state law with regard to sanctuary cities.

My wife came to the U.S. from Mexico the legal way in 2003, And later became a citizen. We support migrants who do it the right way by respecting America and it's law.

Lawmakers unwillingness thus far to update the outdated immigration laws should not be used as an excuse to violate the law.

Thank you
