

# ORDINANCE NO. 240611

## Green Infrastructure Project 1-1: Mill Creek Park, Amendment No. 2

Authorizing a \$751,978.00 design professional services Amendment No. 2 with HDR Engineering, Inc., for the Green Infrastructure Project 1-1: Mill Creek Park project for a total contract amount of \$1,576,978.00; and recognizing this ordinance as having an accelerated effective date.

July 23, 2024

Transportation, Infrastructure & Operations  
Committee

# ORDINANCE NO. 240611

## PROJECT BACKGROUND

- KC Water requesting HDR refine design to reduce costs
- CIP budget was \$6.5m
- Single construction bid was for \$18.8m
- Project purpose is to reduce combined sewer overflows using green infrastructure

# ORDINANCE NO. 240611

## PUBLIC ENGAGEMENT

Public information sheet posted

[www.kcsmartsewer.us/green-infrastructure-mill-creek-park](http://www.kcsmartsewer.us/green-infrastructure-mill-creek-park)

Design phase public meeting November 2021:

- KC Water/City leaders invited internally
- Affected customers received postcard invitation
- Project team provided overview
- Meeting recorded and posted online

Series of stakeholder meetings with Mill Creek Park Board

## INFRASTRUCTURE UPDATE

### Green Infrastructure Project 1-1: Mill Creek Park

DESIGN WILL BE COMPLETE IN EARLY 2024

KC Water is undertaking a green infrastructure project in Mill Creek Park. This project will largely utilize bioretention basins filled with native plants to help absorb excess stormwater. These elements will collect, treat and infiltrate stormwater runoff. When complete, this project will help protect our community's environment by capturing stormwater before it enters the combined sewer system, which will lessen the sewer overflows into local waterways.

#### Project Area

THIS PROJECT IS LOCATED WITHIN MILL CREEK PARK. THE BOUNDARIES ARE:

- North: 43rd Street
- South: 45th Street
- East: East edge of park
- West: Mill Creek Parkway
