Executive Summary

Sponsored by the Office of the City Manager. Accept the 2023 revision of the City of Kansas City, MO (KCMO), Local Emergency Operations Plan (LEOP).

Discussion

Per KCMO Ordinance 2-85, the City of Kansas City, MO (KCMO), is required to have and maintain a local emergency operations plan (LEOP), reviewing it every year and revising it as needed. In addition, many grants, bringing millions of dollars into KCMO, require having a current LEOP. Under the Office of the City Manager, the Office of Emergency Management (OEM), with input from strategic partners in both the public and private sectors, has revised the 2021 LEOP to incorporate many recent changes to KCMO and its operations during events and disasters

Docket Memo

Prior Legislation

Ordinance No. 210044, Authenticated as Passed on January 28, 2021, adopted the 2021 LEOP.

Kansas City, MO, Code of Ordinances, Chapter 2, Article III, Section 2-85(c)(1) requires the emergency manager to complete and maintain “the all-hazards local emergency operations plan (LEOP).”

Missouri Revised Statutes 44.080(2)(1) states that political subdivision shall establish a local emergency management organization and be responsible for directing and coordinating the “development of disaster plans...”

Service Level Impacts

Adopting the 2023 LEOP will have no negative impact or cost on current KCMO services. The coordination and guidance provided by the LEOP will improve KCMO services with respect to preparing for, responding to, and recovering from disasters and significant planned events.

Other Impacts

1. What will be the potential health impacts to any affected groups?

The LEOP outlines the coordinated response to disasters and planned events. The coordination of various City Departments and partner agencies improves efficiency thus saving lives and improving the health of all residents and visitors to KCMO.

2. How have those groups been engaged and involved in the development of this ordinance?

All City Departments and various partner agencies were involved in the revision of the LEOP.

3. How does this legislation contribute to a sustainable Kansas City?

Adopting the LEOP provides a number of elements leading to a sustainable KCMO. 1) It enhances coordination with the various City Departments and strategic partners to ensure increased disaster response efficiency thus saving lives, protecting property, and preserve the environment. 2) Many grants funding projects that lessen the damage of and recover from disasters require an adopted LEOP.

4. Does the ordinance/resolution include Civil Rights antidiscrimination requirements in compliance with the Code of Ordinances (Chapter 38, titled “Civil Rights”)?

The LEOP, as required, encompasses servicing the whole community regardless of functional and access needs, race, culture, gender, etc.

5. Has the ordinance/resolution been submitted for review of economic equity & inclusion requirements in compliance with the Code of Ordinances (Chapter 3, titled “Contracts and Leases”)?
