Report Date: July 14, 2022

Case Number: CD-CPC-2022-00055

Project: Halo Village

Condition(s) by City Planning and Development Department. Contact Andrew Clarke at (816) 513-8821 / Andrew.Clarke@kcmo.org with questions.

1. Resolve KC Waters stormwater detention correction stating that "Drainage Easement is not appropriate for detention pond that is to be privately maintained. Will likely need BMP Easement. Ensure access to detention facility is provided per APWA 5608 requirements" prior to recording of final plat.

Condition(s) by City Planning and Development Department. Contact Lucas Kaspar at (816) 513-2558 / Lucas.Kaspar@kcmo.org with questions.

2. The developer must dedicate additional right of way for East 52nd Terrace as required by the adopted Chapter 88 so as to provide a minimum of 40 feet of right of way as measured from the centerline.
3. The developer shall cause the area to be platted and processed in accordance with Chapter 88, Code of Ordinances of the City of Kansas City, Missouri, as amended, commonly known as the Development Regulations.
4. The developer must submit a Macro storm drainage study with the first Plat or Phase, from a Missouri-licensed civil engineer to the Land Development Division showing compliance with current adopted standards in effect at the time of submission, including Water Quality BMP's, to the Land Development Division for review and acceptance for the entire development area, and submit Micro storm drainage study with each subsequent Plat or Phase showing compliance with the approved Macro and adopted standards. The developer shall secure permits to construct any improvements as necessary to mitigate impacts from rate, volume, and quality of runoff from each proposed phase, prior to recording the plat or prior to issuance of a Building Permit, whichever occurs first as required by the Land Development Division.
5. The developer must subordinate to the City all private interest in the area of any right-of-way dedication, in accordance with Chapter 88 and as required by the Land Development Division, prior to issuance of any construction permits within said right-of-way, and that the owner/developer shall be responsible for all costs associated with subordination activities now and in the future.
6. That East 52nd Terrace shall be improved to City standards as required by Chapter 88, to current standards, including curbs and gutters, sidewalks on one side of the street, street lights, relocating any utilities as may be necessary and adjusting vertical grades for the road, etc., and obtaining required permit from Land Development Division for said improvement prior to recording the plat or prior to issuance of a Building Permit, whichever occurs first.
7. After the City Plan Commission enters its disposition for the development plan, the developer shall not enter into any agreement that would encumber or otherwise have any impact on the proposed right-of-way dedications for the planned project without the prior written consent of the Land Development Division.
8. That the developer enter into a Deferral Agreement for the street improvements to Belmont Ave along the platted frontage as required by Chapter 88 prior to recording the final plat. The Secured Deferral Agreement shall be for a period until further improvements occur on the property or the property directly to the North, or until street improvements occur on the opposite side of the street, whichever occurs first.
9. The developer must construct a cul-de-sac and dedicate street right-of-way for the require cul-de-sac to the City as required by the Land Development Division, prior to recording the plat.
10. The developer must grant a BMP and/or Surface Drainage Easement to the City as required by the Land Development Division, prior to recording the plat or issuance of any building permits.
11. The developer must secure permits to extend public sanitary and storm water conveyance systems to serve all proposed lots within the development and determine adequacy of receiving systems as required by the Land Development Division, prior to recording the plat or issuance of a building permit whichever occurs first.
12. The developer must enter into a covenant agreement for the maintenance of any stormwater detention area tracts as required by the Land Development Division, prior to recording the plat.

Condition(s) by City Planning and Development Department. Contact Lucas Kaspar at (816) 513-2558 / Lucas.Kaspar@kcmo.org with questions.

13. The developer must pay impact fees as required by Chapter 39 of the City's Code of ordinances as required by the Land Development Division.
14. The owner/developer must submit plans for grading, siltation, and erosion control to Land Development Division for review and acceptance, and secure a Site Disturbance permit for any proposed disturbance area equal to one acre or more prior to beginning any construction activities.

Condition(s) by Parks & Recreation. Contact Justin Peterson at (816) 513-7599 / Justin.Peterson@kcmo.org with questions.

15. If new residential living units are proposed, the developer is responsible for dedication of parkland, private open space in lieu of parkland, or payment of cash-in-lieu of either form of dedication, or any combination thereof in accordance with 88-408. Should the developer choose to pay cash-in-lieu of dedicating all or a portion of the required area, the amount due shall be based upon the (2021) acquisition rate of (\$48,801.37) per acre. 2021 park rate is utilized from plan approval of CD-CPC-2021-00018. Should the developer elect to provide private open space, said space shall be platted into private open space tracts and provide recreational amenities beneficial to residents. This requirement shall be satisfied prior to recording the final plat or certificate of occupancy (whichever is applicable to the project).

To surrounding neighbors,

A proposed project located at 5928 E 52nd Terrace that requires a public engagement meeting. The property will be platted into one lot as part of the project as it is currently unplatted. The project requires the platting process to create a lot through a Preliminary Plat and Final Plat.

The project is proposing the construction of the Halo Village, a non-profit organization for the less fortunate in the community. The enclosed preliminary plat, final plat and development plan shows our proposed development. The purpose of the meeting will be to discuss any concerns about creating the lot.

A public engagement meeting will be held in person at the:

Southeast Community Center
3400 E 63rd St, Kansas City, MO 64130
on
July 12th, 2022, at 6:00 pm.
