MoDOT relinquishment of US-24
from Potter to Ewing

Reason

Accepting the relinquishment of US-24 from MoDOT generally
from Potter to Ewing just west of I-435

Details

<p>Reason for Legislation</p> <p>Authorizing the execution of a roadway relinquishment agreement with the Missouri Department of Transportation transferring ownership of a portion of US-24 (aka Independence Ave) generally from Potter to Ewing just west of I-435 in Jackson County</p>
<p>Discussion (explain all financial aspects of the proposed legislation, including future implications, any direct/indirect costs, specific account numbers, ordinance references, and budget page numbers.)</p> <p>In an effort to reduce truck traffic and create a more family and business friendly neighborhood environment, we have request that MoDOT remove the US highway designation from Independence Ave and Winner Rd. This will discourage pass-through traffic from utilizing city streets and instead have them use the interstate system. This should increase the safety for all users and encourage increased use by pedestrians and bicyclists. This will also reduce the number of trucks hitting the low clearance RR bridge near Wilson Ave. Removing the US Highway designation will enable the relinquishment of the roadway to Kansas City ownership and maintenance.</p>
