

ORDINANCE NO. 240133

Stormwater Collection and Green Infrastructure: 37th and Norton

Appropriating a \$1,100,000.00 design professional services contract with CDM Smith, Inc., for the Stormwater Collection and Green Infrastructure: 37th and Norton project; authorizing a maximum expenditure of \$2,200,000.00; and recognizing this ordinance as having an accelerated effective date.

February 7, 2024

Transportation, Infrastructure & Operations
Committee

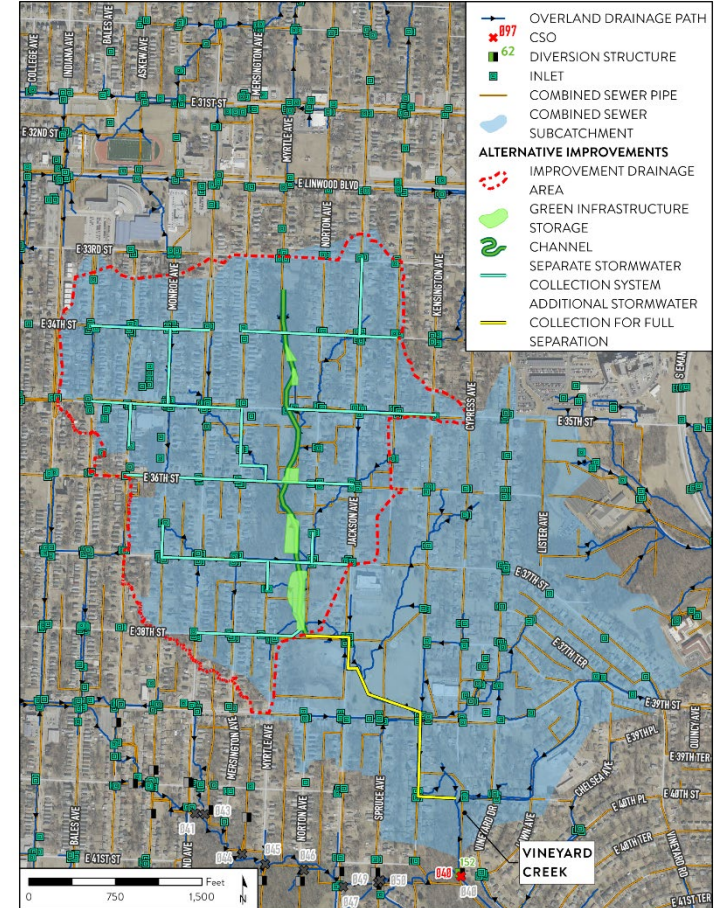

ORDINANCE NO. 240133

Boundaries:

- West: Indiana Avenue
- East: Kensington Avenue
- North: E 33rd Street
- South: E48th Street

Green infrastructure opportunities generally along wooded corridor west of Norton Avenue and north of 38th Street

ORDINANCE NO. 240133

- KC Water used an Adaptive Management process available in Consent Decree to assess the feasibility and performance of an alternative green infrastructure solution in lieu of a relief sewer solution to reduce sewer overflows
- EPA approved the green infrastructure solution which will provide greater combined sewer overflow reduction and other community benefits
- KC Water will use a programmatic approach to facilitate collaboration between City Departments and leverage our collective talents and resources to improve public infrastructure and help revitalize this neighborhood

ORDINANCE NO. 240133

PROACTIVE PUBLIC ENGAGEMENT

Public information sheet posted
<https://www.kcsmartsewer.us/projects>

Adaptive Management Process Engagement:

- Two public meetings hosted in 2022
- Outreach to 5 neighborhoods within 1-mile radius
- Door hangers distributed to 184 properties with project information
- June 7, 2022 meeting recorded and posted online
- July 12, 2022 multi-departmental site tour facilitated by City Councilwoman Robinson

ORDINANCE NO. 240133

DESIGN PHASE PUBLIC ENGAGEMENT

Public information sheet posted

<https://www.kcsmartsewer.us/projects>

- Executing extensive public engagement plan
- Deploying multi-departmental programmatic approach to identify collaboration opportunities in project area
- Planning to conduct 3 public meetings
- Coordinating with UMKC Center for Neighborhoods project called “The Woods” in the same area

THANK YOU

A decorative graphic at the bottom of the slide consisting of several overlapping, wavy bands of blue in various shades, ranging from light to dark, creating a sense of movement and water.
