Section 5. That in accordance with Section 806(a)(1) of the City Charter, the Director of Finance is hereby authorized to borrow not to exceed \$350,000,000.00 from any City fund to meet the cash requirements of any other City fund in anticipation of the receipts from revenues, for the Fiscal Year 2023-24. Such borrowings may be in the form of temporary loans made from one current operating fund of the City, including the operating funds of the enterprise funds, to another, provided sufficient money is available for this purpose. Such temporary loans may be made from time to time and at such times and in such amounts as the Director of Finance may deem necessary. However, the aggregate amount of such outstanding loans shall at no time exceed \$350,000,000.00 and at no time shall individually exceed 75% of the estimated revenues of each City fund for the Fiscal Year 2023-24 then outstanding and uncollected.

Section 6. That all such loans shall be repaid on or before the due date thereof out of the receipts from revenues of the 2023-24 Fiscal Year and shall become due not more than nine months from the date of incurring the same, and in no event beyond the end of the 2023-24 Fiscal Year.

Section 7. That the Director of Finance is directed to make the necessary entries upon the City's records to show the appropriations and allocations as set forth in this ordinance.

Section 8. That the form of the budget hereby adopted, the estimated revenues therein contained, and the appropriations made by this ordinance as set out in such budget are hereby approved.

Section 9. That pursuant to Section 805(i) of the City Charter, the Council sets March 23, 2023, as the deadline for adoption of the Fiscal Year 2023-24 Budget.

I hereby certify that there is a balance, otherwise unencumbered, to the credit of the appropriation to which the foregoing expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment is to be made, each sufficient to meet the obligation hereby incurred.
