Hello,

I would like to give testimony for File# 240412 sponsored by Nathan Willett. Kansas City must not become a sanctuary city for illegal immigrants. We have issues with our homeless now and the crime rate is unacceptable. If we can not solve these local issues now, how are we to take care of people who are here illegally? Doing this will affect monies given to us by the State, therefore affecting all surrounding areas. I ask that this be allowed to be voted on by the entire council so that we can identify who is for Sanctuary City status.
