Good Evening Mr. Mayor, Neighborhood Development Committee, and Councilpersons,

Attached is my letter encouraging your support to enact the current (April 19, 2023) Committee Substitutes for Ordinances 230267 and 2368.

I am one of over 38,000 federal employees living in the Kansas City area, the largest employer in the region. My husband and I are proud to call Kansas City home and are proud to welcome visitors to our city, including an immersive experience such as what a short term rental can offer. We also believe in taking care of our city and our residents, which ultimately makes us a better host city. As residents we deserve the stability and security that come with housing and neighborhoods. I urge you to support the Committee Substitutes for Ordinances 230267 and 2368.

Please do not hesitate to reach out via phone or email, should you wish to speak with me.

Thank you for your time and consideration.
