Executive Summary

Approving a rezoning from district R-6/PO and R-6 to district B1-2/PO and B1-2 on about 1.61 acres generally located at the southeast corner of East 81st Terrace and The Paseo. (CD-CPC-2025-00067)

Discussion

Approving a rezoning without plan from district R-6/PO and R-6 to district B1-2/PO and B1-2. This is a companion case to the area plan amendment to the Swope Area Plan (CD-CPC-2025-00068). This rezoning is necessary to allow a daycare business to operate in the existing building which is currently split zoned. This rezoning request will not expand the pedestrian overlay and will act as a transition area from the commercial activities along The Paseo to the residential properties on the east.

The City Plan Commission heard the application on July 2, 2025 and recommended approval without conditions. There was one public testimony in support of the application.
