### Executive Summary

Approving a rezoning without plan from district R-1.5 (residential 1.5) to district B1-1 (commercial 1) on about 0.16 acres generally located on East 34<sup>th</sup> Street between Gillham Road and Holmes Street. (CD-CPC-2024-00161)

### Discussion

The applicant is requesting approval of a rezoning without plan from district R-1.5 to district B1-1. The property is located in a mainly residential area, however based on historical photos of the existing structures (attached to the Staff Report) the use of the property has always been intended to be commercial. The proposed zoning district allows for uses that are typically found in a neighborhood setting and contributes to the comfort and convenience of the public. The application was heard at the 12/04/2024 City Plan Commission meeting. A representative of the neighborhood association spoke in support of the application. The proposal was recommended for approval without conditions.

There is a companion area plan amendment (CD-CPC-2024-00162) request to amend the Midtown/Plaza Area Plan from Residential Low Density to Mixed Use Residential. The discussion for this case is attached to the docket memo for the Resolution.
