 - Utilize planning approaches in neighborhoods to reduce blight, ensure sustainable housing, and improve resident wellbeing and cultural diversity.
 - Maintain and increase affordable housing supply to meet the demands of a diverse population.
 - Address the various needs of the City's most vulnerable population by working to reduce disparities.
 - Foster an inclusive environment and regional approach to spur innovative solutions to housing challenges.
 - Ensure all residents have safe, accessible, quality housing by reducing barriers.
 - Protect and promote healthy, active amenities such as parks and trails, play spaces, and green spaces.

Prior Legislation

Service Level Impacts

The HIV Prevention grant funds various Health Education and Risk Reduction programs that are specific to vulnerable populations that are at highest risk for HIV including African American Females, African American Men who Have Sex with Men, LatinX, and White Men who Have Sex with Men. Targeted outreach and testing to those communities helps address and reduce health disparities in our community.

Other Impacts

1. What will be the potential health impacts to any affected groups?

HIV Prevention activities reduce the spread of HIV in the community and improves quality of Kansas City Residents. The grant funds will help foster a healthier and safer community. Federal Investments in public health such as HIV Prevention grants also reduce the local burden to provide safety net services and care.

2. How have those groups been engaged and involved in the development of this ordinance?

3. How does this legislation contribute to a sustainable Kansas City?

The Kansas City Region has an active Integrated Prevention and Care Planning Council with a HIV Prevention Subcommittee. The Planning Council and the Prevention Sub Committee meet monthly and members for both include various stakeholders and consumers. Furthermore, The specific contracts for the Health Education Risk Reduction activities mentioned above also often employ members of the target populations.

4. Does this legislation create or preserve new housing units?

No (Press tab after selecting)

5. Department staff certifies the submission of any application Affirmative Action Plans or Certificates of Compliance, Contractor Utilization Plans (CUPs), and Letters of Intent to Subcontract (LOIs) to CREO prior to, or simultaneously with, the legislation entry request in Legistar.

No - CREO's review is not applicable (Press tab after selecting)
