Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Vacating an approximately 2,000-square-foot area of unimproved East 34th Street in Zoning District M1-5 generally located at the northeast corner of Stadium Drive and Topping Avenue and directing the City Clerk to record certain documents. (CD-ROW-2024-00021)

Discussion

The portion of public right-of-way to be vacated is an unimproved section of East 34th Street that terminates at the corner of Stadium Drive and Topping Avenue. The area of right-of-way is approximately 2,000 square feet. The public right-of-way in question currently has both public and private utilities located within it. Kansas City Water Services has sewer located within the area. There are also AT&T and Evergy facilities located within this portion of East 34th Street.

This vacation request is to facilitate the development of the site to the northeast, owned by Langley Enterprises, LLC. The applicant's intention is to fully utilize the property located at 5819 East 32nd Street. A key element of the applicant's intent involves the vacation of East 34th Street, among several other proposed street vacations. This proposal is part of a broader initiative that includes multiple vacation requests in the vicinity. This is a companion case with CD-ROW-2024-00015 (Topping Ave), CD-ROW-2024-00019 (Bellaire Ave) and CD-ROW-2024-00020 (White Ave). A development plan will be required before future development because the site is zoned industrial and larger than 10 acres per Section 88-517-02-D.
