This project will follow the approved Port KC Development Finance process as attached in Exhibit A, with the exception that the Selection Committee shall also review the development application and quantitative analysis and may recommend further analysis to Port KC. The Parties agree that subject to findings of the qualified financial analysis by Port KC, Port KC may seek Incentives exceeding those provided in Ordinance 160383 necessary to facilitate the development of affordable housing. If any such request is made to the Board, Port KC shall notify the City and provide a copy of any qualitative analysis seven business days in advance of any public meeting at which the request will be considered.
