Prior Legislation

Ordinance 160877 put the 20 year bond issuance to voters, 230893 approved projects in question 2 and 3 for year 1. 230935 approved year 1 of projects for question 1.

Service Level Impacts

Once this ordinance passes, the projects approved in year 1 of the 5 year plan will be funded and the departments assigned to them can begin working on completing the projects as outlined in the ordinance

Other Impacts

1. What will be the potential health impacts to any affected groups?

These projects will increase health of groups that utilize these assets by allowing walkability around the City as well as improve flood control in areas needing it the most. The projects as a whole will not only provide walkability but will increase safety of the individuals utilizing the projects outlined leading to overall health. These projects were reviewed using life X and environmental justice tracts for overall health improvement.

2. How have those groups been engaged and involved in the development of this ordinance?

Citizens have spoken out in request of several of the projects funded, other projects are finishing already started projects throughout the city that have been in progress. Further outreach with construction and design will be completed by departments as they move to building the projects.

3. How does this legislation contribute to a sustainable Kansas City?

Yes, these projects were reviewed looking at various sustainability studies
