Executive Summary

Approving the plat of REPLAT OF LOT 3 AND LOT 7, ZONA ROSA 5TH PLAT, an addition in Platte County, Missouri, on approximately 7.4 acres generally located at northeast corner of Northwest Prairie View Road and North Congress Ave, creating eight lots for the purpose of a commercial development; accepting various easements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents. (CLD-FnPlat-2025-00032)

Discussion

The request is to consider approval of a Final Plat in District B3-3 (commercial) on about 7.4 acres generally located at northeast corner of Northwest Prairie View Road and North Congress Ave to allow for the creation of eight lots for the purposes of a commercial development. This subdivision was approved in Case No. CD-CPC-2025-00148 which served as the Preliminary Plat. The Preliminary Plat proposed to create a new lot separating an existing commercial building so that it can be further subdivided through a Condominium Plat in a separate application. This Final Plat is in conformance with the Preliminary Plat as well as the lot and building standards of Section 88-120 of the Zoning and Development Code.

Final Plats are the legal instruments used to formally subdivide land in accordance with the layout approved in the Preliminary Plat, which is often presented in multiple phases, as this proposed plat is. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and that stormwater detention covenants have been finalized and reviewed for compliance.
